

PERFECT x LOCATION

Centrum voor Zorg – Care Centre – will be the modern, sustainable and future-focused home-work location. From the end of 2022, parties can move into the building, a vibrant meeting place with a large and diverse range of support functions and facilities.

■ CARE

■ CURE

SLOTERVAART CENTRUM VOOR ZORG

A multidisciplinary centre with high-quality facilities

An ecosystem is created that offers you the opportunity to collaborate with various parties in the building and partners in the neighbourhood.

Unique scale - the project covers approximately 50,000 sq. m.

Affordable rents.

Business space available from 250 sq. m.

Possibility to lease 3,500 sq. m. connected business space.

Approximately 11/12 units possible on one wing, for living/care units.

Core and shell delivery – space is flexible and can be designed and constructed according to your own wishes.

Sustainably renovated and facilitated by an experienced team of real estate experts.

Public facilities such as restaurants, coffee corners, meeting rooms, park-like garden and parking garage.

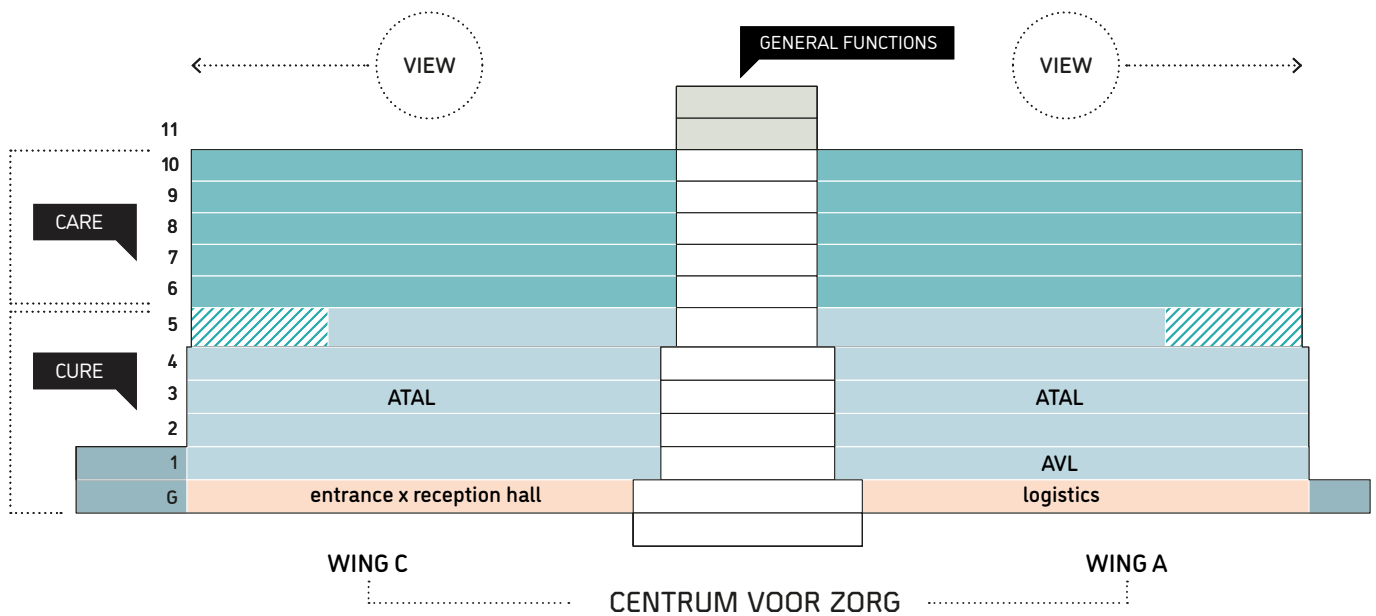

Excellent accessibility:

Amsterdam centre – 10 min.

Schiphol – 15 min.

Perfectly accessible by public transport – bus, train, metro, tram.
